

CHARITABLE LEAD TRUST

Here's What Happens

This is the reverse of a Charitable Remainder Trust. A 'lead trust' is a way to pass assets to your family with significant estate tax savings and at the same time make a gift to St. Mary Parish.

How It May Benefit You

- This can be funded during your lifetime or through your will.
- You support St. Mary Parish mission through annual income payouts.
- The lead trust reduces your taxable estate and potential gift taxes.
- The assets can be kept in your family.
- It is important to always consult with your attorney and professional advisor before making a decision.
